

Survivor Outreach Program

The Healthy Kent Suicide Prevention Coalition has teamed up with network180 to introduce a NEW program for Kent County.

Trained volunteers, who have experienced the tragedy of suicide in their own family, can **offer support** to family members and friends who are struggling with a death by suicide. These volunteers are available to **walk with, listen to and be with** family and friends.

You are not alone

- Call the network180 Survivor Outreach Hotline **616.336.3909**
- Ask to be transferred to the Suicide Outreach Program Coordinator.
- A trained volunteer will contact the family in person or over the phone in the next 3-5 days and offer support.
